MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Proposed Regulation [REDACTED] "Overseas Tours of
Duty - Section II: Reassignment Following Completion
of Overseas Tour of Duty"

25X1A

1. Attached is the authenticated copy of the subject Regulation signed by Mr. H. Gates Lloyd as Acting Deputy Director (Administration) in the temporary absence of Colonel White.

2. This matter has been delayed since the middle of last month, due to a misunderstanding regarding the resolution of the matter discussed in paragraphs 6 and 7 of your memorandum of 12 November 1954, which cover the draft of the subject Regulation.

3. I have been assured by the Director of Training today that he and the Assistant Director for Personnel have worked out between them an arrangement whereby the former will have access to the reassignment questionnaires which will ultimately repose in the Office of Personnel. This means that the Director of Training does not wish to pursue the matter of a fourth copy of the questionnaire any further at this time, based upon the agreement cited above. Since this was the only point at issue, the subject Regulation was retyped and prepared for the signature of Mr. Lloyd this date, and may be published without further delay.
